I verily believe the original patent to be wholly or partly inoperative or invalid, for reasons described below. (Check all boxes that apply.)

- ☐ by reason of other errors.

At least one error which reissue is based is described as follows: The term for the pressure drop limitation in claims 15, 16, 17, 23, 39 and 40 fails to specify the size of the sample section to which it relates.

If the reissue is a broadening reissue, such must be stated with an explanation as to the nature of the broadening.

All errors corrected in this reissue application arose without any deceptive intention on the part of the applicant.
